lello

Lello Gelato is deliciously innovative and fun, with one mission: to put a smile on your face!

Enjoy a scrumptious and transcendent treat that gives you a taste of that magical European holiday or maybe your home away from home. However your customers like their gelato and whatever their taste buds desire, we ensure we deliver.

Lello Gelato - where tantalizing happiness is served in a cup or cone!

LAVEZZI

DAL 1870

The Lavezzi story began in the coastal town of Formia (Italy) in 1870 when Amalio Lavezzi decided to go to Mount Vesuvius to gather snow for the Lemon and Coffee Gelato sold in his kiosk.

Till today, the Lavezzi philosophy remains unchanged - naturally made Italian Gelato churned daily using high-quality ingredients. The only difference now is that we have had 150 years to perfect it!

Serendipity became a known supplier of the gourmet ice cream market with her innovative creations, such as Maple Walnut, Pistachio and Rum & Raisin, considered to be deliciously bold and unique flavours at that time.

Today, Serendipity's award-winning premium products are still produced in small batches using the best natural ingredients. Continuously producing new, interesting, and fun-filled recipes that are denser and lower in sugar than most commercial brands, Serendipity does not compromise on its exacting standards, in particular ... TASTE!
